Dessert Banquet

"Passing The Baton"

You are cordially invited to join us for a night of inspiration and laughter as we celebrate the impact of FCA in the Chippewa Valley and beyond. We will also mark the start to a bright future as we officially hand off the leadership of the local FCA ministry to Andrew Draper with Jonny Peterson assisting.

There is no better way to top off a celebration than with laughter. That will be guaranteed with our special guest Daren Streblov. Daren's unique style of observational stand-up comedy has been entertaining hundreds-of-thousands of people throughout the United States and around the world since he first stepped on the stage in 1995. He's a "humor opportunist" who is always looking for the comical side of life and how people live it. He takes topics that everyone can relate to and filters them through his unique lens.

You will have the opportunity to hear from area athletes and coaches involved in the FCA ministry. An opportunity to invest in the ongoing FCA ministry will be provided for all in attendance.
